Chief, Economic Research Area

2 October 1956

Chief, Industrial Division, ORR

Nominations for Overseas Assignments

1. In answer to your verbal request, the following nominations are submitted for assignment to overseas duty in 1957. While this list represents the current thinking of D/I, it has not been possible to consider adequately the potentialities of all eligible division personnel in the time available. Additional nominations will be submitted if found, on further consideration, to be appropriate and desirable.

25X1A9a 25X9A5 [REDACTED] GS-12 (I/TH).

25X9A5

has been recommended. It is believed he would welcome duty in [REDACTED]

25X1A6a

25X1A9a b. [REDACTED], St/S.

25X1A9a Although he is not assigned to D/I, it is believed [REDACTED] is eminently suited for assignment as the replacement of [REDACTED] and D/I strongly recommends favorable consideration of his qualifications for this duty. Although his personal feelings regarding such duty are not known, it is felt his wide experience in the utilization of [REDACTED]

25X1D1a

[REDACTED] would be most helpful at this post.

3. [REDACTED]

25X1A9a [REDACTED] GS-12 (I/CI)

25X1A9a

Associated with the Agency since 1948, M [REDACTED] has acquired broad experience in the production of industrial economic intelligence, particularly in the field of consumer goods production. In addition to moderate knowledge of French he has acquired a working proficiency in Russian. His selection for overseas duty is recommended. Consideration of either [REDACTED] is suggested in view of lack of knowledge of his possible preference.
